Legal

[Legal Overview](#)

At Slack we are committed to helping our users exercise their rights under the CCPA. In accordance with the CCPA requirements, we have published the following metrics to provide transparency into the rights requests we receive and how we handled those requests.

The following disclosure covers rights requests made by California consumers pursuant to the CCPA that were received in 2021.

Requests to know:

- Received: 33
- Complied with in whole: 33

Opt out of sale: As is noted in our privacy policy, Slack does not sell personal information, and therefore does not process opt-out requests.

Requests to delete:

- Received: 385
- Complied with in whole: 385

For more information on Slack's commitment to privacy and information about the data Slack collects and controls, please visit our [Trust Center](#).
